

HONORABLE JAMES L. ROBERT

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

VAPORPATH, INC., a Washington
corporation,

Plaintiff,

v.

WNA, INC., a Delaware Corporation, and
NOVOLEX HOLDINGS, LLC, a Delaware
limited liability company,

Defendants.

Case No. 3:19-CV-5807-JLR

Noted for September 11, 2020

SECOND STIPULATED MOTION FOR
ADDITIONAL TIME TO RESPOND TO
PLAINTIFF'S MOTION TO COMPEL

I. STIPULATION AND RELIEF REQUESTED

COMES NOW Plaintiff Vaporpath and Defendants WNA, Inc. and Novolex Holdings, LLC (hereinafter "defendants"), by and through their counsel of record, and respectfully move the Court for an order granting an additional one-week extension of time for defendants to respond to plaintiff's Motion to Compel (document no. 38) and for plaintiff to reply. This motion is supported by the Declaration of Ramon B. Henderson.

INTRODUCTION

Plaintiff filed its Motion to Compel on August 26, 2020 with a noted hearing date of Friday, September 2, 2020. On August 28, 2020, defendants notified plaintiff of defendants' intent to file this motion and sought plaintiff's position. Henderson Decl. ¶ 4. At defendants' request, plaintiff agreed to a 14-day extension, which this Court kindly granted. *Id.* As a result of

375432

1 this extension, defendants' Response opposing plaintiff's Motion to Compel is currently due
 2 Monday, September 21, 2020 and plaintiff's Reply is due Monday, September 28, 2020.

3 For the reasons discussed below, the parties, **by stipulation**, are requesting **an additional**
 4 **week** of time. If granted, the new due date for defendants to respond will be Monday, September
 5 28, 2020, and the new due date for plaintiff to reply will be Monday, October 5, 2020.

6 ARGUMENT

7 Pursuant to LCR 7(j), a party may move the court for relief from a deadline. This motion
 8 is made well in advance of defendants' response deadline of September 21, 2020. The parties
 9 request additional time for defendants' Response and plaintiff's Reply for the following reasons.

10 First, the parties have been engaged in ongoing and meaningful mediation and settlement
 11 discussions. Because these discussions are potentially productive, both parties prefer to limit the
 12 amount of money expended on a Motion to Compel at this time. This additional week will allow
 13 the parties to reduce the financial pressure of incurring legal fees on a possibly moot motion
 14 while the parties continue with settlement discussions. While it is impossible to predict with any
 15 accuracy whether the case will be settled in the near future, without this extension, the parties
 16 will be forced to continue incurring attorney's fees in order to meet judicial deadlines while
 17 simultaneously working toward an agreeable resolution. These two competing goals may impede
 18 any possible resolution and increase the parties' reliance on the Court in this matter.

19 Second, the discovery cutoff in this case is not until January 26, 2021, giving the parties
 20 nearly four months to complete discovery. An additional one-week extension will not unfairly
 21 prejudice either parties' ability to obtain relevant discovery. Furthermore, granting this motion
 22 for an extension of time would not create any foreseeable conflicts. Other than the hearing for
 23 plaintiff's Motion to Compel, there is currently nothing on the case schedule until the discovery
 24 cutoff date.

1 **II. CONCLUSION**

2 For the foregoing reasons, the parties request an order granting an additional one-week
3 extension of time for defendants' response until Monday, September 28, 2020, and until
4 Monday, October 5, 2020 for plaintiff's reply.

5 DATED this 11th day of September, 2020.

15 **III. ORDER**

16
17 IT IS SO ORDERED that, for good cause shown, the Court will grant an additional one-
18 week extension of time for defendants to file a Response to plaintiff's Motion to Compel until
19 Monday, September 28, 2020 and for plaintiff to file a Reply until Monday, October 5, 2020.
